

# EGUSD Internet Safety Video Contest

## Who

- EGUSD students in grades 4-12
- Age categories: Elementary School 4-6; Middle School 7-8; High School 9-12

## What

- Students, working individually or in teams, are invited to create and produce an original video on the safe and/or ethical use of the Internet (e.g., *PSA, School News & Events, Instructional/How To, Documentary*). We are looking for creativity and a clear, compelling message.
- Videos should be from 1 – 3 minutes in length (excluding title and credits)

## When

- Entry deadline is October 31, 2008, at 5:00 p.m.
- Prizes will be awarded according to age categories at December 16 Board Meeting

## Why

The Internet opens a world of possibilities for 21<sup>st</sup> century learning. With this powerful, increasingly interactive tool comes the need to educate students for safe and ethical travels across the Worldwide Web.
